SEVENTH ANNUAL REPORT OF THE TRUSTEES OF THE WALPOLE PUBLIC LIBRARY.

FOR THE YEAR ENDING JAN. 1, 1883.

The past year of our Library has been marked by no changes in its working worthy of note. The efficiency of labors done in previous years has rendered the duties of the present board comparatively easy, with, we trust, no loss in the public utility of our Library.

How well the present elegant rooms and the new catalogues are appreciated, is shown by an increase in the average monthly circulation from 1,287 for 1881, to 1,697, for 1882, a gain of over forty per cent.

As submitted in the report of our chairman one year ago, the cost of our catalogue was \$168.25. On account of the failure of the printers to deliver the copies within the time agreed upon, and also on account of errors in the printing, the trustees were enabled to reduce the cost to \$125, as shown in the annexed report.

Library hours, insurance, and other details remain the same as before.

During the year two hundred and fifty-five volumes have been added.

The trustees acknowledge with thanks valuable contributions from Messrs. James A. Dupee, Washington Glover and others. Special thanks are due to the former gentleman for an exceedingly valuable addition to our Library, in a manuscript collection, handsomely and durably bound, of the tax rolls of the Town of Walpole for the Revolutionary period.

The Trustees would recommend that besides the dog tax the sum of \$300 be appropriated by the town to the use of the Library for the year ensuing.

For the Trustees,

W. I. LEWIS, Chairman of the Board.
